

The Mawsley Megaphone

Celebrating our school community's success, interests and talents.

Mawsley Community Primary School June 2023 Issue 5

The sisters with their boxing trophies

Boxing Sisters

Leila and Annabell have been boxing at their local boxing club. Both girls, were so proud to receive trophies for their effort and achievement.

Annabell's confidence has really grown since taking up the sport and Leila competed in her first MMA competition.

Did you know what MMA is?

Mixed Martial Arts is an extreme sport in which two people fight each other using the techniques of boxing, wrestling and martial arts.

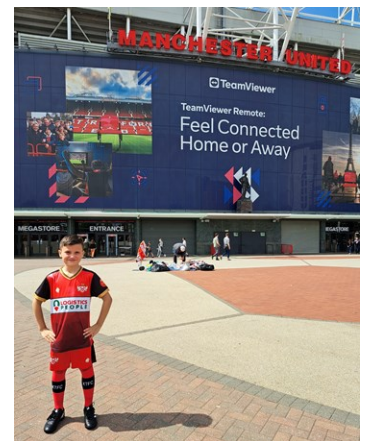

Football Success for Harvey

Harvey has shown incredible determination when playing football recently.

He was awarded player of the match for the U8's Raptors in April where they played against Aztec, where they drew 1-1.

Then he received an email confirming he had secured a place for Kettering Town FC U8's Pre Academy for the upcoming season after lots of hard work, training and trials over the winter.

In May, Harvey travelled up to Manchester to join his KTFC U8 team mates in a mini tournament against Manchester United U7 teams. The teams played some fantastic football and had a great time at the Manchester United training ground. He also visited the stadium at Old Trafford and took a look inside the Megastore.

Harvey with his trophy and standing outside Old Trafford

Can you inspire others?

Do you have any good news to share? Do you have an interesting hobby or talent? Have you won an award? Please get in touch with Mrs Buckle as we would love to share the interests and talents of our school community.

Sports Competition News

Athletics Team News

The athletics team

Our Year 5/6 Athletics team went to compete in the South of England Championships, which took place in Luton. They had previously won our district competition, then qualified from the county finals, which was the first time we had ever achieved this as a school. The children managed to come 10th in the whole of the South of England - a brilliant achievement. The schools and children that we got to race against were exceptional, and it was a really great experience and challenge for our children to race, jump and throw against some of the country's best athletes. A massive thank you to all the parents/carers/family that travelled down to the competition in order to support the children, they really appreciated it!

Double Gold for Lola

In May, Lola competed at the regional qualifiers in Nottingham for gymnastics. She placed first individually, getting a gold medal, and her team placed first so she also received a team gold medal!

Lola on the podiums

Congratulations to all our girls who play for the Mawsley Youth Football Teams

We were all really proud of the girls who competed in the Northamptonshire Women's and Girl's Football League. The Mawsley Bobcats, Tigers and Jaguars all won in their age groups!

Have you won a trophy or award outside of school? Let Mrs Buckle know all about it and you might feature in the next issue of The Mawsley Megaphone.

Enzo the Eco Champion

Enzo has always been interested in the planet and nature. He is now taking this interest to the next level and making a real difference to where he lives. Enzo said 'I am a Young Climate Warrior where I am sent weekly challenges and I go to Eco Team at school. I enjoy doing litter picks and I recently took part in a community litter pick in Mawsley. I earned my green Blue Peter badge for raising money for an ocean charity.'

A green Blue Peter Badge

Enzo on the litter pick

Could you earn your own Blue Peter Badge?

There are different Blue Peter badges that you could earn depending on your talents and interests.

The **Blue** or **White** badge - Viewers of the programme can win one by either sending in an interesting letter, poem, picture or story, or by appearing on the programme.

The **Green** badge (a white ship on a green shield): This is *Blue Peter's* environmental award, awarded for any correspondence from viewers with a conservation, nature or environmental theme.

The **Competition Winners**, or **Orange** badge - This is given to viewers who have been either a winner or runner up in any of *Blue Peter's* many competitions.

The **Fan Club**, **Purple**, or **Team Player's** badge (a white ship on a purple shield) - viewers are now awarded these badges when writing a review of an edition of the programme.

The **Silver** badge launched on 14th October 2022 is awarded for acts of kindness and supporting others.

The **Gold** badge (a gold-plated brooch in the shape of the ship logo): This is *Blue Peter's* highest award and is given for exceptional achievement, such as to people who have performed acts of extreme bravery, or represented their country in a major event. It takes the form of a gold-plated ship-shaped pin brooch.

Visit the BBC website to find out how to apply.

Coronation Bake Off Winners

Congratulations to Leo, Nell, Samuel and Reggie who made the winning cupcakes for our Coronation Bake Off. The judges were so impressed with the quality of all the entries and we know the children thoroughly enjoyed eating the cakes during the afternoon of celebrations.

Mrs Walker completing her 30 mile run

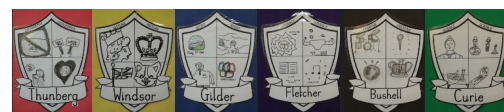

Mrs Walker Keeps Her Promise

For our Keep Me Healthy sponsored challenge, Mrs Walker promised that for every £100 raised by the children in school she would run 1 mile. The children raised nearly £2951 so, on Sunday 14th May, Mrs Walker kept her promise and ran 30 miles!

Term 5's winning team for collecting the most values points was Thunberg.

Term 5's winning team for collecting the most learning points was Curie.

Be Brave! Be Kind! Be Yourself!
