- read, write and interpret mathematical statements involving addition ( + ), subtraction ( - ) and equals ( $=$ ) signs
- represent and use number bonds a nd related subtraction facts within 20
- add a nd subtract one-digit and two-digit numbers to 20, including 0
- solve one-step problems that involve addition a nd subtraction, using concrete objects a nd pictorial representations, a nd missing number problems such as $7=$ ? -9
- compare and order numbers from0 up to 100; use <, > and = signs
- recognise and name common 2-D and 3-D shapes, including:

2-D shapes [for example, rectangles (including squares), circles and triangles]
3-D shapes [for example, cuboids (including cubes), pyramids and spheres]

## Geography

In Geography, the children will be learning all about their local environment-Mawsley, Northamptonshire and Great Britain. We will be exploring maps and creating our own maps.

## Curriculumenrichment

Geography- visit some locallandmarks/
museums such as:

- Wicksteed Park
- Boughton House
- Manor House museum in Kettering

In English, we will be continuing our work on using adjectives to describe and we will be learning to write a setting description linked to the seasons.
We will continue to practice using full stops and capital letters in our sentences. We will also be using coordinating conjunctions to join ideas in a sentence.

## Computing and PE

In computing, we are going to be learning how to code using the Scratchjr app.

In PE, we will be learning how to jump and land safely, whilst maintaining balance throughout.

## Science

In science, we will be learning In science, we will be learning about materials. We will learn to identify, name and discuss their properties. We will be able to identify and discuss how materials are used for different purposes.

## RE and PSHE

In RE, we will be exploring the question - What gifts might Christians in my town have given Jesus if he had been born here rather than in Bethlehem?

In PSHE, we will be learning about keeping ourselves safe in different situations and exploring how to make safe choices.

## Wow week

In Art in WOW week, we will be learning about the artist Andy Warhol. We will be exploring different printing techniques.

In our music lessons, we will be learning to sing and perform as a group, keeping in time to the music.

## How can you help at home?

Please encourage your children to:

- read daily,
- learn their spelling words,
- practice their 2,5 and 10 multiplication tables
- Practise telling the time to o'clock, half past, quarterto and quarter past the hour
