

### Maths

In Maths, the children will be learning about:

- Multiplication (2s, 5s and 10s, doubles, equal groups and arrays)
- Division (making equal groups, sharing equal and solving problems)
- Halves and quarters (with shapes and quantities)
- Position and direction (describe turns - half, quarter, three quarter, whole, left, right, forward, backward, up, down, middle, behind, inbetween)
- Numbers to 100 (counting, partitioning, comparing, ordering, bonds to 100)

### Geography

In geography, the children will:

- name and locate the world's seven continents
- learn about the human and physical geography of a small area in several non-European countries (Jamaica)
- read images, maps, atlases and globes

### Curriculum enrichment

Keep me Healthy Day- 22nd April

### English

In English, the children will be inspired by the text Caribbean Dream, by Rachel Isadora. In their writing lessons, children will learn to write letters home after pretending they have travelled to a country in contrast to England.

### Science

In science, the children will go on safari to explore invertebrates and other plants and animals in the local area.

### PE

In PE, the children will:

- Learn how to collect the rebound of a large ball
- Throw and catch a tennis ball
- Throw and catch a tennis ball with one hand and without a bounce
- Kick a large ball to a partner
- Kick a large ball to a partner with alternate feet

### RE and PSHE

In RE, we will be learning about Christian and Jewish stories and what they tell us.

In PSHE, we will be learning about how we can keep our bodies physically healthy.

### Computing

In computing, children will:

- record audio on a digital device
- program sprites to playback recorded audio in ScratchJr program ScratchJr to create repeating rhythms
- explore different effects that can be applied to audio
- create a repeating percussion pattern using a virtual drum machine
- experiment with a range of virtual instruments.

### Wow week

In DT in WOW week, we will use textiles and embroidery in the style of Jamaican artist, Rhoda Jackson.

In music, the children will be listening to and understanding reggae music.

### How can you help at home?

Please encourage your children to:

- read daily,
- learn their spelling words,
- practice their 2, 5 and 10 multiplication tables
- Practise telling the time to o'clock, half past, quarter to and quarter past the hour
