

### Mathematics: Year 5

The children will be developing their knowledge of multiplication and division. Children will begin to develop their understanding of fractions.

### Mathematics: Year 6

We will be exploring percentages and the relationship between fractions, decimals and percentages. After this, we will be exploring measure as well as area and perimeter.

### Computing and PE

In computing, we will be learning how to be publishers. The children will learn how to plan a year book, where they will learn skills based on formatting.

In PE, the children will develop their knowledge of team sports by learning how to play football and tag rugby. They will further develop their coordination and balance within Real PE.

### Curriculum enrichment

- Website:  
<https://www.bbc.co.uk/bitesize/topics/zq6svcw>
- Visit a local place of worship
- Books – read an autobiography
- [https://www.goodreads.com/list/show/61516.Autobiographies\\_for\\_Kids](https://www.goodreads.com/list/show/61516.Autobiographies_for_Kids)

### English

This term the children will be looking biographies. The children will develop their understanding of the features of writing within this style as well as develop their SPaG knowledge of subjunctive form.

### Science

Children will be learning about the circle of life in our science lessons. We will be looking closely at how plants and animals adapt to survive,  
We shall also be exploring the theory of evolution.

### RE and PSHE

In RE the children will be answering: What can we learn from reflecting on Christian, Muslim, Buddhist and Sikh wisdom?

In PSHE, we will continue to learn about how to keep ourselves safe using our protective behaviour curriculum. This term will be focusing on mental health.

### Geography

In topic this term, the children will be learning about different religions in our local community. They will also be learning about the Diwali celebrations which take place in Trafalgar square.

### Wow week

In music, the children will be learning how to remix and loop music.

In DT, the children will be learning about packaging. They will be challenging themselves by designing packaging from different decades.

### How can you help at home?

- Please encourage your children to:
- Read daily, for 20 mins (please read to your child, as well as hear them)
  - Complete their IXL homework with them
  - Learn their spelling words,
  - Practice their multiplication tables.
