Success criteria																																																																																																																																																																																																																																																																																						
Gap in attainment between boys and girls in Reading, Writing and Maths will narrow over time Gender groups will make at least expected progress in Reading, Writing and Maths in all year groups																																																																																																																																																																																																																																																																																						
We chose this objective after considering our data and the attainment and progress gaps that were indicated between boys and girls in Maths and English. The focus on this also aimed to achieve our whole school development point: To further develop, the range of challenge strategies, in order to increase expected and more than expected progress in reading, writing and maths.
