

### Maths

- recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value
- find different combinations of coins that equal the same amounts of money
- solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change
- recognise and know the value of different denominations of coins and notes
- solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher
- calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication ( $\times$ ), division ( $\div$ ) and equals (=) signs
- solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts
- recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers

### Geography

In Geography, the children will be learning all about Northamptonshire and Great Britain.

### Curriculum enrichment

- Geography- visit some local landmarks/ museums such as:*
- **Wicksteed Park**
  - **Boughton House**
  - **Manor House museum in Kettering**

### English

**In English, we will be learning to write an information text about a place. We will read the book 'Coming Home' by Floella Benjamin for inspiration.**

### Science

In science, we will be learning about materials. We will learn to identify, name and discuss their properties. We will be able to identify and discuss how materials are used for different purposes.

### RE and PSHE

In RE, we will be learning about why Christmas is important to Christians.

In PSHE, we will be learning about protective behaviours (safe relationships).

### Computing and PE

In computing, we are going to be learning how to code.

In PE, we will be learning how to jump and land safely, whilst maintaining balance throughout.

### Wow week

In DT in WOW week, we will be learning about construction materials. We will be using different materials to build houses.

In our music lessons we will be learning to sing and perform.

### How can you help at home?

Please encourage your children to:

- read daily,
- learn their spelling words,
- practice their 2, 3, 5 and 10 multiplication tables
- Practise telling the time to o'clock, half past, quarter to and quarter past the hour
