

Mawsley CP School ARTS Newsletter

At Mawsley school, the arts (music, DT, and art) are an important part of the curriculum and feature on our timetable as a "WOW week" each term. Every WOW week, our pupils are immersed in the creative subjects, and we are proud to offer a huge range of skills to our children. Our children look forward to WOW weeks. Here is what the children think about their music lessons...

"I enjoy singing in music- it makes me feel happy."

"I enjoy singing and dancing. I like using the instruments."

"I like figuring out stuff I didn't know before."

As well as learning and playing instruments themselves, the children have also had exposure to a live, musical performance! In the spring term, the children enjoyed a brass recital performed by a group of local musicians. They learnt about the different members of the brass family and how to make a sound from each.

Pentatonic Melody Grid

C	D	C	D	E	G	A	G
D	A	G	C	C	A	G	A
E	D	A	G	C	D	E	C
A	C	E	G	A	C	D	E

The children here at Mawsley School are an incredibly creative bunch! Our music and arts lessons give the children a chance to show off other skills that are not otherwise seen through the teaching of core subjects. From cooking Greek salads, making terracotta sculptures to building 3D car models, the children have had the opportunity to learn many new skills!
